METAWELL

Soothe, Balance & Recharge

In a world that moves faster by the day, finding a moment of deep relaxation and mind-body recovery can feel like chasing a mirage. Zestós DryFloat is a revolutionary wellness technology that redefines what it means to unwind and recover.

More than just a flotation therapy, Zestós offers a multisensory escape that soothes the body, calms the mind, and recharges the soul—all without getting a single drop of water on you.

BENEFITS:

- Deep Relaxation
- Improved circulation & lymphatic drainage
- Sports recovery
- Reduced muscle, back pain and joint stiffness
- Reduced gravitational load on the body for joint relief
- Positive effects on anxiety, stress, depression and quality of sleep
