Spa Fusion - Classic Oval

Product Code: EA378C

POA

(Ex Tax & Delivery)

ET~LOTUS

A timeless wellness form for one. Classic Oval is an elegant freestanding bath with a smooth curved profile and a compact architectural presence. Designed for hotels, spas, wellness suites and premium residences, it introduces therapeutic capability without losing the simplicity of a classic oval bath. Each bath is configured around the ET-LOTUS foundations of water, air, light and sound, with the final experience shaped around the user, operating environment and project.

BESPOKE PROJECT CONFIGURATION

Jet quantities, positioning, controls, finishes and supporting options are agreed following consultation. All selections are subject to technical review, bath-shell compatibility and the final project specification.
