

## SPL Neo Soft

Product Code: 04E6DF

**\$5400.00**

*(Ex Tax & Delivery)*

The SPL Soft is a great fully electric table for Medi Spas and multifunctional treatment rooms. A flexible top with preset positions and an innovative 330 degree rotating axis creates flexibility within the treatment area. Optional manicure armrests and the 90 degree seating position will allow you to perform manicure and pedicure treatments all on the same table. Other options include a heated top, vibration and airbag compressor.
