ProLuxe Convertible (frame only)

Product Code: 063972

$1350.00

(Ex Tax & Delivery)

OAKWORKS

The electric lift offers smooth height adjustments allowing you to easily change the height of your table without straining, saving your body and prolonging your career. This patent pending design allows you to use your portable table for outcalls and to convert it to an electric lift table for use in your office. It takes just a minute to change your table back and forth. The powerful electric motor with either foot or hand control, lifts your table from 20" to 36". The ProLuxe Convertible is the perfect solution for anyone with a studio practice who is also on the go! Fits any portable table that is 685mm - 840mm

(27"-33") wide and 1828mm - 1905mm (72"-75") long.
