OAKWORKS

The One by OAKWORKS® portable massage table is built to meet the needs of a budget-conscious massage therapist looking for an inexpensive portable massage table without compromising on product quality. The One massage table is a great first table for students, or professionals on a tight budget. This table is built with many of the same features and patented details as our other professional massage tables. This table is also a popular solution for the massage client looking to add a portable massage table to their home spa or gym. And don’t let the price fool you, this isn’t some cheap

massage table import. The One table is built from the highest quality globally sourced materials. The One table package features include Earth friendly TerraTouch™ fabric, Face Rest outlets on both ends of the table, the patented UniLock™ Closure System and 3" multi-layer, high-quality padding. This package includes an adjustable face rest platform with Aero-cel™facerest crescent. The One table measures 73in. long by 30in. wide and is adjustable from 24in. to 34in. high. Included in this complete package are also a free access end panel and free shiatsu cables. The One table is a great value! One great table and One phenomenal package. One…incredible value.
