Anatomical Saddle Stool, Small, Floating

Product Code: 12F462

POA

(Ex Tax & Delivery)

Gharieni

Thanks to their specially shaped curved seat design these saddle shaped seats ensure optimal pressure distribution in the buttock area whilst relieving strain on the thighs. With extra wide sitting surface, and pneumatic height adjustment. The Floating version also offers a seat that 'swings' in all directions to maintain the mobility of the pelvis and promote flexibility of the discs.
