REBALANCE Impulse

REBALANCE Impulse® is a revolutionary non-invasive Mental Wellness & Neuro-Relaxation device.
This stimulation and cognitive training device based on neuroscience is mainly devoted to fighting chronic stress, improving sleep quality, and enhancing vitality.
Beyond Mental Wellness and Neuro-Relaxation, the work done with Rebalance Impulse® is considered an advanced brain training, beneficial for restoring or enhancing cognitive functions.
The guided neuro-meditation and Synchromotherapy® protocols enable users to achieve the desired meditative state more rapidly than ever before.

Exercises and Techniques:
Breathing exercises and techniques chromorhythm-based - Guided mental imagery - Mindfulness training - Full body chromotherapy protocol - Sound therapy protocol - Binaural synchrotherapy protocol - Synchromotherapy® protocol - Advanced Neuromeditation exercises
