SoftWear
a touch of luxury

Our Pure Linen showcases the ultimate in spa luxury, crafted from pure white 100% combed cotton. This fine linen boasts a superior 300 thread count, ensuring it feels incredibly soft to the touch and remains cool and gentle against the skin.

Enhanced with a sateen cotton finish, it offers a lustrous sheen that elevates the fabric's visual appeal. The featured photo captures the bed beautifully made up with a duvet cover, adorned with a sharp line of pebble embroidery along the length, adding an extra

touch of elegance to the sophisticated design. This duvet cover is also available with a white line of embroidery. The set-up goes perfectly with the Oxford Pillow Case, featuring the same elegant line of embroidery around the border.
