BC SoftWear
a touch of luxury

Pure Spa Linen is made with pure white 100% combed cotton. The design has a sharp line of embroidery along the length of the sheet on either side, to add a level of

elegance to each sheet.

Our Pure Spa Linen, crafted from 100% combed cotton, introduces elegance to any spa with its pristine white finish and subtle embroidery along the length. This sheet, part of the Pure Linen collection, is designed to complement the Treatment Bed Duvet and fits perfectly on Spa or Massage Treatment Beds. The 300 thread count provides a luxuriously soft feel, cool and gentle on the skin, with the added luster of sateen cotton.

Ideal for enhancing luxury spa treatments, this sheet is available with embroidery in White, Pebble, or Silver Grey and is washable at 60 degrees Celsius. It measures 130cm x 200cm. Complete your linen set with our Duvet Cover, Treatment Bed Pillow with Waterproof Case, and Cotton Pillowcase.
