SoftWear
a touch of luxury

Discover the ultimate in comfort and warmth with our acrylic woolly fleece blankets, an essential addition to any spa, salon, or relaxation space. These exceptionally soft and

warm blankets are designed to enhance the client experience, whether used during treatments or in relaxation areas, including outdoor spa facilities.

Available in an array of refined colours - Aubergine, Black, Brown, Pebble and Slate Grey - they seamlessly blend with any décor.

For a personalised touch, consider adding custom embroidery to your blankets. These machine-washable blankets at 30 degrees are not only easy to maintain but also a practical alternative to duvets, offering quicker washing and drying times without compromising on comfort or warmth.
