OAKWORKS

The Clodagh Trolley, exquisitely crafted with a distinctive finish through a unique engraving process, stands as a testament to the innovative design. This sophisticated piece offers customizable storage solutions, including the option to add up to two warming drawers. Enhanced with programmable LED under-top lighting, hidden casters, a discreet power strip, a unique edge design, and a convenient pull-out work shelf, the trolley is as functional as it is stylish. After personalizing your trolley, you can select from a variety of additional features, such as extra drawers, a dimmable work light, and towel racks, tailoring it perfectly to your needs.
