Spa & Salon Furniture

The Mudra Electric Spa Bed by Esthetica is a professional-grade, high-end electric treatment table designed for premium spa and wellness environments. It features a fully electronic single-piece top cushion for superior comfort and seamless positioning. Electrically adjustable height, backrest, and legrest functions allow therapists precise control across every treatment. Lowerable gas spring-assisted armrests, generous built-in storage, and an integrated powerboard with storage space to accommodate a 10-litre hot towel cabinet make the Mudra as functional as it is refined — the ideal centrepiece

for modern spas seeking performance and elegance in equal measure.
