Product Code: 39831B

\$2625.00

(Ex Tax & Delivery)

A professional spa table fitted with single motor for synchronous back rest & leg rest adjustment through one motor. Pneumatic adjustment of armrests, when the client is lying face down on the table. The low height makes it suitable for facial treatments and beauty treatments. There is plenty of storage space underneath. 6" foam mattress with soft touch leatherette and rounded corner massage top.
