esthetica
Spa & Salon Furniture

The Isa is Esthetica's entry-level electric spa treatment table, offering electronic height adjustment and Trendelenburg function alongside manually lockable backrest and legrest positions — making it a practical, reliable option for spas seeking essential electric functionality at an accessible price point. A four-piece adjustable top cushion, detachable face cradle, and head pillow ensure guest comfort across a range of treatments, while the two-column base design and natural wood veneer construction bring a clean, grounded aesthetic to the treatment room.
