Brine Light Room

Product Code: 3C1C24

POA

(Ex Tax & Delivery)

KURLAND
STORY OF MY NATURE

With the Haslauer Brine-Light-Room you are able to simulate a marine climate and experience in your wellness or spa area. Brine inhalation and soft colour therapy have therapeutic benefits for your guests. In addition to the physiological benefits, the aesthetic effect and sound of brine cascading down the wall along with feature lighting creates a relaxing ambience for all. The experience can be further enhanced with a visual or lighting show from a projector. Take relaxation to the next level!
