esthetica
Spa & Salon Furniture

The Mudit is Esthetica's four-motor electric treatment table for spas and wellness centres, combining essential electronic adjustments with a clean, low-profile design. Electronic controls for the backrest, legrest, height, and Trendelenburg function give therapists precise positioning for a wide range of treatments. A built-in storage compartment accessible from both sides keeps spa essentials within reach, while the solid wood and veneer base brings a warm, contemporary aesthetic to any treatment room.
