Spa & Salon Furniture

The Mangal Massage Bed is a professional facial and massage table designed for salons and day spas. Built from solid wood, it offers durability with a clean, practical design. It features a 40 density, 75 mm foam cushion with easy-to-clean PVC upholstery for enhanced comfort and hygiene. The adjustable backrest supports facial treatments with a corrosion-resistant mechanism, while the lower wooden struts provide storage for essentials. A face hole with plug ensures added convenience for face-down therapies
