KUMUD Pedicure Sofa

Product Code: 3C6BEB

£1470.00

(Ex Tax & Delivery)

esthetica
Spa & Salon Furniture

The Kumud is Esthetica's foot reflexology sofa — a clean, elegantly designed chair built for pedicure and foot massage treatments in professional spa environments. Its simple, considered silhouette combines wooden armrests and a wooden base with a multi-density foam cushion and detachable seat cushion, delivering a comfortable, well-supported seating experience across every session. The electronically controlled backrest reclines and inclines smoothly via a 6000N Dewert Okin actuator, operated through a handheld remote — keeping guests at ease without interrupting the

treatment. Supplied with 2 ottomans, the Kumud is a practical, refined solution for any spa reflexology area.
