A revolutionary design makes the Boiance Face Cradle Pillow one of the most comfortable massage table accessories on the market today. The union of ultra comfortable padding and water spheres combine to deliver an exceptional feeling of comfort and relaxation. The Boiance Face Cradle Pillow also features a unique, very open space to avoid all pressure on the eyes and sinus cavities. This face cradle pillow was designed and engineered by LMT Patricia Binder. Using her experience and expertise in the field of massage therapy, Patricia has used that knowledge to build the face cradle

pillow your clients will love. We've even added the option to choose from our full array of PVC Free Terra Touch fabrics to match your existing massage table upholstery.
