Product Code: 463AC8

£8500.00

(Ex Tax & Delivery)

LEC
LIVING EARTH CRAFTS

Versatile. Technology Packed. Luxurious. The Cascade integrates proprietary wellness technologies into a variety of wellness treatment protocols. Conduct world class lymphatic drainage using a combination of programmable Trendenburg positioning, FDA cleared pulsed LED light therapy, and gentle heat and vibration for improved results. Also, enhance your aesthetic treatments with Celluma's® post treatment Far-infrared pulsed light recovery protocol. Or augment your body and massage therapies with

targeted FDA cleared pulsed light therapy, Dual-Zone heat and programmable vibration.

Revenue enhancement opportunities ensure an immediate return on investment.

Designed for the world’s finest wellness facilities.
