esthetica
Spa & Salon Furniture

The Tejas is Esthetica's premium four-motor electric treatment table, crafted from natural wood and wood veneer for hotel spas and resort wellness environments. Electronic adjustments for the backrest, legrest, height, Trendelenburg, and reverse Trendelenburg put complete control at the therapist's fingertips. Lockable gas spring armrests and a clean, open base design give the Tejas a warmth and understated elegance that feels entirely at home in a luxury spa setting — without compromising on the functionality that demanding spa environments require.
