BC SoftWear
a touch of luxury

Spa Vision is delighted to be able to offer a range of off-the-shelf and bespoke linens from BC Softwear. BC Softwear are suppliers of luxury spa linen, bathrobes, towels and

slippers for the finest hotels, luxury spas and laundries across the UK and Worldwide, where longevity of product together with prompt delivery service are of prime importance. They have an enviable reputation for the highest quality towels and robes that stay softer and fluffier for longer than the average towelling product in the market place. They are very proud of our Turkish heritage and the pure cotton used in all our towelling. Their quality control measures in Turkey are second to none with independent quality checks carried out
at every stage of the manufacturing process.
