Spa & Salon Furniture

The Asmit Tilt Massage Table is a versatile option that allows you to adjust the backrest for maximum comfort. It includes a face hole cutting and plug, as well as a rounded corner design for easy movement around the table during massages. Made from imported German Steam Beech wood with a natural finish, this table features a detachable and adjustable face cradle with 65mm memory foam and a contoured headrest for a comfortable experience for clients. Dual knobs on each leg provide extra safety and strength. Solid rubber-wood panels on both sides make it suitable for deep tissue massages and physiotherapy exercises. Ideal for bodywork, chiropractic treatments, and physiotherapy, the Asmit Tilt Massage Table is designed to provide high

levels of comfort and stability. The soft Semi PU leatherette upholstery ensures durability and comfort, while the 40-density foam cushion adds to the overall experience.
