Fluid. Sinuous. Enveloping. Dune is the chaise longue inspired by the Pilat dune, designed for superior comfort and natural elegance.

Dune is the chaise longue signed design C.O.D.E. inspired by the sinuous shapes of the Dune du Pilat, where colour and lines blend into a unique panorama. Continuous geometry and fluid profile define an elegant and enveloping presence, designed for spas, relaxation areas and wellness environments where well-being is experienced naturally. A professional chaise longue that interprets quiet luxury through essential

aesthetics and superior comfort, transforming rest into a deep and uninterrupted experience.

Dune is a harmonious chaise longue, designed for indoor and outdoor environments, with an iroko frame and stainless steel side inserts. The built-in headrest cushion and extensive customization options for finishes and materials make Dune the perfect solution for an elegant and high-performance lounge experience in any setting.

Professional chaise longue for spas, relaxation areas and luxury wellness environments, Dune by C.O.D.E. stands out for its balance between elegant design, ergonomic comfort and build quality. Crafted from certified materials and premium finishes, it is appreciated by hotels and spas for its versatility, ease of use, and ability to integrate naturally into relaxation and wellness settings.
