Delicate. Harmonica. Elegant. Tahiti is the chaise longue with graceful and refined design for maximum comfort.

Tahiti is the chaise longue signed design C.O.D.E. designed for moments when well-being doesn’t need instructions, but only space and time. Harmonious lines, natural oak construction, and enveloping comfort define a light and refined presence, ideal for environments where elegance and well-being coexist in perfect balance. A professional chaise longue that interprets the quiet luxury through authentic materials, lightweight

proportions, and evolved functionality, transforming waiting and rest into a continuous experience.

Tahiti is a versatile chaise longue, designed for indoor and outdoor environments, with a natural oak or walnut frame for indoor use and an outdoor iroko. The reclining backrest ensures comfort and functionality while the wide possibility of customizing finishes and materials makes Tahiti the perfect solution for an elegant and high-performance lounge experience in any environment.

A professional chaise longue for spas, relaxation areas, and luxury wellness environments, Tahiti by CODE stands out for its balance of elegant design, ergonomic comfort, and build quality. Made from certified materials and premium finishes, it is appreciated by hotels and wellness centers for its versatility, ease of use, and ability to integrate naturally into relaxation and wellness settings.
