

MCS (Multi Cryo-Hacking System)

Product Code: 89D640

POA

(Ex Tax & Delivery)

The Multi Cryo-Hacking System (M.C.S.), is an innovative and groundbreaking treatment system that revolutionizes taking care of health, sports, beauty, wellness, and lifestyle. It just fits perfectly with actual top topics like Regeneration, Prevention, Biohacking and Longevity.

Whether you'd like to reduce stress, strengthen your immune system, increase cell activity, relax and let go or simply provoke a real multi-sensory response and levelling.

It can be used as a unique stand-alone solution, or as superior contrast therapy combining the Vaultz Cryo Chamber, and also as the first station within the Tec-Spa-Module.

With up to twelve pre-set treatment targets available. Each target was developed to accommodate various needs and goals, to make sure that you receive personalized treatments.

Stress Management supports the reduction of physical and mental stress levels and has a calming effect.

Regeneration supports psychophysical regeneration in general. Reset for body and mind.

Performance boosts energy levels. Has an activating effect and supports performance.

Skin & Tissue supports body contouring.

Pure Skin supports the improvement of the skin's appearance.

Guided Empowerment A Day at the sea. Pure relaxation. Introductory program to get to know all facets and experience M.C.S. has to offer.

Breath Recovery with breathing exercises. Supports the release of blockages.

Recharge & Prepare supports the strengthening of the immune system. Has an activating and leveling effect.

Collagen Booster the anti-aging power program.

Detox & Relax the Anti-Aging-Power-Program. Treatment to support physical relaxation and detoxification.

Flow Up (Plus) supports the liquid exchange in the body and the metabolism.

Mon Amour (Libido) enhance libido in combination with Tec-Spa Module

This state-of-the-art system combines and multiplies the power of six products in one providing unique experiences with exceptional results.

You see a great match for (pro-) athletes and sports enthusiasts, the Multi-Cryo-Hacking-System, especially combined with the use of a Vaultz and the Flow System, can be a game-changer. Advanced technologies can promote sports recovery, help to enhance performance, and optimize training results allowing athletes to get back in the game faster and stronger.

For beauty conscious users the M.C.S. can be utilized to support skin perfection, promote collagen production, and improve the skin's elasticity. The Multi Cryo-Hacking System also addresses various skin imperfections, supporting with acne, fine lines, and uneven texture, providing a rejuvenated and revitalized appearance.

Looking at the wellness and lifestyle field, the M.C.S. offers a never-before-seen experience. By combining different treatment levels in a unique cocktail, the Multi-Cryo-Hacking-System creates an immersive environment that promotes relaxation, stress reduction, and benefits the overall well-being.
