£21635.00

(Ex Tax & Delivery)

ISO BENESSERE®

AMOR is a professional wet ritual bed designed for luxury spas, hammams, hotels, medical-spas and longevity clinics. It is ideal for steam treatments, hammam rituals, savonage, scrubs, mud, clay and seaweed wraps, detox, draining, slimming and signature body rituals.

Its intelligent design keeps the client’s head outside the treatment area, helping

preserve hair and comfort, while water and condensation are directed into the integrated drainage system. Steam, water, heat, chromotherapy, aroma and sound create a complete multisensory spa experience.
