LEC
LIVING EARTH CRAFTS

Inspired by the timeless beauty of Al-Andalus, the 13th century palace fortress in Granada and crafted with the precision of American innovation, the new Alhambra™ embodies the perfect harmony between East and West.

Versatile multi-purpose worksurface. Electronic Drop Arms. Multiple patented features. Precision crafted, built-to-order cabinetry. Designed for the world’s finest spas and resorts from LEC, a world leader in treatment table innovation.

Features:

Versatile, Multi-Purpose Electronically Adjustable Worksurface: Whisper quiet height, back, arm, leg, and chest adjustments make up Alhambra’s wireless control system and vibration dampened, commercial grade, seven motor adjustment system.

Luxurious Strata Cloudfill™ Mattress: Our proprietary Strata Cloudfill™ Mattress features 5 layers (15cm) of multi-density cushioning incorporating both viscoelastic memory foam and our Cloudfill™ cover found only on LEC products.

Hand upholstered with our medical grade plus Comfort-Flex™ fabric.

Embedded Tilting Flex-Rest™ Self-Adjusting Facecradle: Patented design allows perfect positioning and eliminates pressure points.

Electronic Drop Arm System: hidden comfort channels for even the most petite clients.

EarthConnect™ Grounding & EMF Protection: Patent pending design balances the client’s and provider’s natural bioelectric charge, promoting a sense of grounding and relaxation.

Embedded Thermasoft™ Dual-Zone Digital Table Warmer

Conforma Lux™ Adaptive Chest Comfort System

Ergonomic Extended Height Range

Wireless Electronic Controls

Custom Precision Crafted Cabinetry
