£85.00

(Ex Tax & Delivery)

OAKWORKS

In stock now! The Oakworks Fitted Massage Table Protector offers the protection your clients need during the COVID-19 pandemic. The waterproof, medical grade fabric is designed to withstand the harsh disinfectants the CDC recommends to kill the virus. With a One Year Warranty, this fitted cover is a low cost solution to the challenges that face the massage industry. No other product on the market has been tested and proven in the harsh disinfectant environments that TerraTouch has been subjected to over the 15 years of its use in hospitals on Oakworks Medical products.

Fitted Massage Table Covers are made from available TerraTouch colors at the time of order - currently available in TT Coal (Black) only.
