Elements Trolley

Product Code: A45E46

£595.00

(Ex Tax & Delivery)

A handcrafted trolley that is as beautiful as it is functional. Crafted from solid wood, the Element™ Trolley has a laminated working surface that is easy to clean and maintain. The Element anticipates the needs of spa therapists with a space saving slide out breadboard shelf that provides additional surface space as needed to accommodate products and supplies. A convenient hot towel cabinet recess comes complete with surge protected power outlet strip. Complete with two generous supply drawers and quality casters for ease of movement, the Element is the best value in workstation trolleys on the market today. Choose between the 3 Laminate finishes or upgrade to woodstain, Shown with optional hot towel warmer.
