Washpoint Hair Swing

Product Code: A45EB6

POA

(Ex Tax & Delivery)

The Wash Point Hair Swing is an innovative, space saving hair wash system. With three articulated elements, the Hair Swing has a particularly wide radius of 120cm, allowing convenient operation of two stations next to each other. The porcelain basin offers optimum comfort with its tilting mechanism. Compact when not is use thanks to its swivel arm supported by three bearings.
Wall-mounted version available.
