SoftWear
a touch of luxury

The SupremeSoft headbands seamlessly blend luxury with functionality, designed to gently hold hair back during skincare routines or makeup application. Featuring a plush

polyester outer layer and an absorbent towelling inner, it redefines spa essentials with its superior softness and comfort. The adjustable velcro strap also guarantees a snug fit for any head size.

Designed for ultimate energy efficiency, the innovative fabric ensures rapid drying times. This not only reduces energy consumption during laundering but also outperforms traditional headbands in moisture evaporation and drying speed.
