SoftWear
a touch of luxury

Embrace sustainability without compromising on style or functionality with these unisex rubber flip flops, available in Slate Grey. Perfect for both men and women, these flip

flops are crafted from 70% recycled rubber, offering a greener footprint.

Ideal for poolside lounging, as outdoor footwear, or post-bath relaxation, these flip flops feature a non-slip sole tested for wet areas, ensuring safety and comfort. Add them to your bathrobe order for a complete guest kit. With options for bespoke colors on orders above 3000 pairs, they cater to all needs.

Available sizes range from small (UK 4) to XL (UK 10-11), including a children's size in Slate Grey.
