VIRGO

Product Code: B785E2

£3310.00

(Ex Tax & Delivery)

VIRGO is ISO Benessere®’s iconic relaxation chaise longue, designed for luxury spas, hotels, medical spas, wellness centres, boutique hospitality and exclusive residential interiors. Its compact footprint and ergonomic profile naturally adapt to the body, offering exceptional comfort for relaxation, reading, waiting or quiet wellness moments. Crafted with premium marine-grade technical upholstery and corrosion-protected metal components, VIRGO combines refined Italian design with outstanding durability for intensive professional use. Integrated RGB chromotherapy is included as standard, while mattress heating or sequential massage can be added to create an even more immersive relaxation experience
