

VIRGO

Product Code: B785E2

£3020.00

(Ex Tax & Delivery)

VIRGO. a chaise-lounge with sinuous lines has been specifically designed to help the body relax, soaking it in colour. The structure in treated steel with anti-rust powder coating, humidity and water resistant, with details in plexiglass to diffuse the chosen colour in the room. The comfortable lounger has been realized from an anatomical mattress covered with faux leather, and is hypoallergenic and stain resistant.

VIRGO draws a perfect comfortable and relaxing line thought for wellness area, SPA, pools and beauty salons. With only 1.55 cm long and 65 cm wide, it's easily adaptable to any environment.

Inside VIRGO, there's a new RGB LED colour system able to create a customizable environment, the adjustment possibility of intensity and ciclicity in order to provide a means of cutting-edge chromotherapy easy to connect and to be coordinated to the chromotherapy systems used in the environment. A programmable sequential massage inside the mattress (OPTIONAL) enrich relax and comfort. All these characteristics make VIRGO perfect in any place where wellness and relax become essential.
