Twiggy designed by Elisa Gargan Giovannoni is the luxury hairdresser's chair from Maletti's Madam Collection that brings a touch of modern elegance to your salon. This

armchair is equipped with a comfortable cushion, a wide seat and an elegant rounded backrest that facilitates the hairdresser's work.

Twiggy's frame is made of moulded polyurethane foam with a metal insert, guaranteeing strength and durability. The Skay upholstery, available in various colours, adds a touch of elegance and makes the chair easy to clean. In addition, a practical PVC protective cover can be added as an optional extra to preserve the beauty of the armchair over time.

Choose Twiggy to offer your clients a comfortable and high-quality seating experience, enriching your salon with a touch of modern and luxurious design.
