# Small Oil Warmer

Product Code: B92957

**£90.00**

*(Ex Tax & Delivery)*

Massage single-bottle oil warmer keeps lotions, oils, and creams just above body temperature. It heats up quickly and helps to keep the temperature consistent for a pleasant massage experience. Our bottle warmer is durable and easy to clean. The warmer will gently warm any standard 8 oz bottle to a perfect 140 degrees and has an auto-shut off to regulate the temperature. This is a must have for any spa industry professional.
