The Cascade

Product Code: BA8195

£4950.00

(Ex Tax & Delivery)

The Vichy shower is one of the most intriguing and effective treatments available for today’s spa clientele. WATER WERKS Cascade Vichy Shower System gives the effect of a warm downpour on the body, one of the most relaxing and rejuvenating spa experiences.

Lying on a waterproof massage table, the Cascade’s five shower heads rain down, providing a relaxing and therapeutic water massage. The built in hand shower makes thorough rinsing of spa products easy and convenient.

With features like five self-cleaning shower heads, the most accurate thermostatic mixing valve available, and a durable, stainless steel construction, the Cascade will provide years of trouble free service with a timeless, elegant design.
