VITAJUWEL

Grande is born from pure perfection. It's a water fountain like no other. When you want to serve more than just a few cups of GemWater to guests (or thirsty family members!), Grande is a state-of-the-art solution for all environments.

Designed in the German Alps, Grande stands for puristic clarity.

Select your VitaJuwel Vial from: Wellness, Fitness, Balance, Vitality, Inspiration or Diamonds

Start thinking about water in a new dimension. Where elegance meets functionality. Where drafting a glass of water from a fountain is more than just stilling your thirst. Where pure water that tastes like it's fresh from the spring comes in a beautiful vessel with a seemingly free-floating vial full of precious gems. Imagine Grande in a downtown boutique, a trendy gallery, a cosmopolitan coffee shop, a cozy home, a tranquil spa, a holistic doctor's office, an upbeat club, a bright and modern jewelry store. Grande has an extra-large top opening to make cleaning as easy as 1-2-3. The stainless steel faucet is leakproof due to its Teflon seal. As the diameter at its foot is just 6.9 inches, it fits right in every apartment kitchen or water bar and holds two gallons of GemWater. Grande comes in a set that includes the decanter (plus lid and faucet) and the glass stand. A large variety of Gemstone Vials is available separately.
