Taiji Hot Cabi HC-8

Product Code: CBD90C

£354.00

(Ex Tax & Delivery)

This high-quality towel warmer will effectively and efficiently heat towels to allow you to enhance your face and body treatments. The hot cabi heats towels with ease and is suitable for use in both salons and spas. Whether you'd like to update your facial treatments with the addition of a warm face cloth or enhance manicure and pedicure services with heated towelling, the hot cabi will heat with ease.
