Lemi
ITALIAN WELLNESS EQUIPMENT

A spa experience where technological innovation meets the elegance of Italian design: MILANO EVO, the spa bed that redefines luxury. Not just a work tool, but a true work of art whose curved wood and painted steel structure reflects Italian craftsmanship, while the mattress with enhanced Memory Foam powered by the Anti Stress HBS System offers unparalleled comfort. By combining the chromotherapy of the two LED strips that illuminate the environment, a unique atmosphere is created for every wellness experience. Milano Evo stands for commitment to sustainability and customization, thanks to FSC certified materials and a range of exclusive finishes. A

definitive wellness experience, designed for those who seek only the best.
IDEAL FOR: massages, face and body treatments, hair removal, treatments with aesthetic equipment.
