# Vapozone Platinum

Product Code: DA141A

**£1420.00**

*(Ex Tax & Delivery)*

BENTLON

Going beyond standard features, the Bentlon Vapozone Platinum introduces a standby function. This innovative addition maintains the water in the reservoir at an optimal temperature, ensuring that any of the 9 steam strengths can be activated instantly. This eliminates the need to factor in warm-up time during treatments, streamlining your workflow. The integrated socket, in conjunction with the stable top plate, enables seamless connection of additional beauty equipment without unsightly cables. As an added bonus, the Bentlon Vapozone Platinum comes equipped with a standard magnifying lamp holder, offering a comprehensive solution ideally suited even for compact spaces.
