Vapozone Gold

Product Code: DA141B

£1166.00

(Ex Tax & Delivery)

BENTLON

The Gold model serves as a versatile base model with customizable steam strengths, an herbal reservoir, and an ozone function. These options empower you to tailor the steam program to suit specific treatments. The combination of the herb reservoir and felt ring offers an extra layer of dimension to treatments, complementing the efficacy of your products. The ozone function is particularly beneficial for addressing blemished skin, and it can be activated with a single, easy action.
