LEC
LIVING EARTH CRAFTS

The Wave Reset™ Lounger is a luxurious, electronically adjustable, zero gravity lounger

designed to produce deep states of relaxation for guests of premier spas. The luxurious Wave Reset is built to order, using the finest hardwood, fabrics, and finishes available.

When combined with LEC's groundbreaking Mind-Sync™ stress reduction programming or LEC's newly launched ReZen™ Vibro-Acoustic Soundscape, the Wave Reset becomes an advanced acoustic resonance therapy experience with programmable chromatic lighting through its stunning IceBlock™ base.

Luxurious, Electronically Adjustable, Zero Gravity Comfort: Attractive wave shaped lounger, with hardwood trim and luxurious, replaceable Strata™ mattress hand upholstered in a variety of fabric options. One-touch electronic adjustments and our innovative "bearing cradle" allow our wave shaped pad to shift smoothly between a more upright reading position to zero-gravity relaxation angle.

Commercial Grade, Built-to-order: Welded steel frame, UL listed motor, ultra-durable (3x commercial grade) Nature's Touch™ fabric in multiple color options. Replaceable mattress for extended life. Customizable hardwood trim. Made in our Vista, CA factory.
