SmartGoggles

Product Code: DFFC4B

POA

(Ex Tax & Delivery)

Therabody

The redesigned SmartGoggles 2nd Gen now feature a 100% blackout design with enhanced comfort. It uses compression massage, heat and vibration therapies to help reduce stress, relieve headaches and improve sleep quality.

Relaxation personalized to your unique heart rate - SmartGoggles use our built-in biometric sensor to vibrate at a frequency lower than your heart rate, helping to synchronize your heartbeat with the rhythm and bringing a sense of calm to both body

and mind.

Science-backed benefits[1]

82% reported feeling less stressed

71% experienced lower levels of anxiety

19% improvement in feelings of relaxation

15% increase in sleepiness right before bedtime
