Bold. Decided. Magnetic. Madeira is the chaise longue with a rigorous and refined design that warms the space and invites deep relaxation.
Madeira is the chaise longue signed design C.O.D.E. celebrating boldness with strong and rigorous lines, capable of transforming into pure elegance. The solid wooden structure brings warmth to the space and creates an immediate atmosphere of relaxation and charisma, ideal for spas, lounges and wellness environments that want to stand out. A professional chaise longue with refined charm, where matter and

proportions meet to provide enveloping comfort and a stage presence, intense and memorable.

Madeira is a versatile chaise longue, available in single and double versions, designed for indoor environments, with a natural oak or walnut frame and aluminium feet. The freestanding mattress and decorative pillow ensure comfort while the wide possibility of customizing finishes and materials makes Madeira the perfect solution for an elegant and high-performance lounge experience in any environment. The sensory experience is complemented with integrated biotechnologies, such as Far Infrared Ray warm-up and immersive sound system.

A professional chaise longue for spas, relaxation areas, and luxury wellness environments, Madeira by C.O.D.E. stands out for its balance of elegant design, ergonomic comfort, and build quality. Made from certified materials and premium finishes, it is appreciated by hotels and wellness centers for its versatility, ease of use, and ability to integrate naturally into relaxation and wellness settings.
