Warmed Pink Salt Wall

Product Code: F128DB

£4990.00

(Ex Tax & Delivery)

ISO BENESSERE®

PINK SALT WALL is a modular backlit Himalayan salt wall designed for spas, medical spas, longevity centers, yoga studios, hotels and luxury wellness interiors. Its innovative dry installation system allows quick installation without adhesives, using corrosion-resistant steel support profiles with pre-assembled LED lighting.

Pure Himalayan salt bricks and integrated chromotherapy create an elegant architectural feature that combines premium design with effortless installation and seamless integration with ISO Benessere® wellness equipment.
