

MLW F1

Product Code: F1DA92

\$7200.00

(Ex Tax & Delivery)

The F1 is part of the innovative MLW series. The MLW F1 has a specially modified base to allow therapists additional space to manoeuvre around the table. As well as being practical, the table is highly decorative and the wooden effect side panels can be adapted to suit your needs and decor. The MLW F1 Wood has 4 actuators that can be operated separately and also simultaneously through 3 different devices (select from hand held cable, infra red or foot control). You can programme and select up to 8 memory positions including a reset to zero position increasing therapist efficiency within the treatment room.
