Non-contact Massage - relaxation for body & soul

With the Wave_Touch, Wellsystem heralds a new era of relaxation. The exceptionally effective massage can be individually adjusted and offers the perfect massage experience for every user. Let Wave_Touch and Spa_Complete transport you into a unique world of relaxation world, light and colour.

The Wellsystem Wave_Touch offers various massage programs developed with experts,

the which can be individually adjusted.

- * Healthy back - Relieves tension and strengthens the back.
- * Strong shoulders - Ideal for tense shoulders and neck.
- * Pure relaxation - A feel-good massage for the whole body.
- * Fit legs - Makes tired and heavy legs fit again.
- * Energy boost - Full body massage for enhanced energy levels.

The easy-to-use operation in the large, rotatable touch display offers limitless user possibilities. In stand-by mode, an instruction video explains the most important features and provides tips for an incomparable massage experience. You can first adjust the settings to enjoy total relaxation during the massage session. All settings can also be changed at any time during the massage, simply and intuitively.
