GAMMABROSS  
SALON AND SPA DESIGN

Round armrests make this chair's structure unique with an open lower back that gives any barber shop or salon a fun flair and design. The design features make a barber or stylists job easier while offering comfort to every client.

This barber chair comes with a padded headrest and stainless steel footrest.

The base of the Tsu Mr comes with a heavy duty lockable hydraulic to pump those clients up and down for years.

Designed by F.A. Porsche.
